

## "EMPEROR OF SAHARA" NOW PLANNING GREAT BANK FOR NEW YORK

Lebaudy, Friends Say, Is Author of Ad for Clerks at Large Daily Salary.

Jacques Lebaudy, "Emperor of the Sahara," is planning to open a bank in New York and hopes to become agent of the French Government in the United States, his friends say.

An advertisement published in New York papers, offering employment to good bank clerks, who come well recommended, is said to be Lebaudy's. The advertisement promises a "large daily salary" to the right clerks.

Applicants for the clerkships are instructed to address "Post Office Box No. 1686, New York City." Mr. Lebaudy's present residence is being kept a secret by him.

A hysteria patient who was in Lebaudy Hospital from Sunday evening until 9 o'clock last night, and who at first said he was the Marquis de Lora of Paris and the Hotel Knickerbocker, is reported to have admitted on leaving the hospital that he was Lebaudy. When he was taken into the hospital he said he was suffering from nervous shock, due to a 5,000-foot fall in an aeroplane at Hempstead.

Lately Lebaudy has figured in the news through his efforts to prevent any of his money reaching Hempstead tradesmen to pay his wife's bills.

## ELDERLY SWAIN WEDS GIRL WHO ONCE SUED HIM FOR JILTING HER

Left at Altar Previously, Miss Hoffman Becomes Mrs. Paul on Her Second Trip.

LONG BRANCH, N. J., Sept. 7.—Alexander Patterson Paul, an elderly business man of this place, and Miss Sarah Hoffman, twenty-four years old, were married here by the Rev. Dr. John G. Lovell, pastor of the First Presbyterian Church. The marriage license, which they procured Friday from the City Clerk, was the second that had been issued to them within a year.

The engagement of Mr. Paul and Miss Hoffman, when announced last autumn, was a topic of considerable interest in Long Branch. Mr. Paul erected a cottage at Morris and Second Avenue for his bride. The ceremony was to have been held shortly after the first of the year. Miss Hoffman resigned her position as a cash-keeper, helped select furniture for the new home, and had her trousseau complete, and arrangements were made for the Rev. Lovell to perform the ceremony.

On the day before the date set for the ceremony the prospective bridegroom said he had changed his mind. No reason for the sudden breakage of the engagement was given except that one of his relatives objected on account of the difference in age.

Mr. Paul is a member of William Orr & Co., a plumbing firm with offices at No. 160 South Broadway, and he is a member of the local Elks Club and Master of the Elks of the Abasco Lodge of the Masonic Order.

Miss Hoffman brought suit against him for \$5,000. The suit was dropped after the report had been circulated that Mr. Paul had agreed to pay the complainant \$2,500.

Many of their friends did not even know a reconciliation had been effected when it was made known yesterday they had been married and had slipped away on a honeymoon over through Canada.

## AEROPLANE HITS CROWD.

Uncontrolled Machine Injures Twenty Persons.

WASHINGTON, Ind., Sept. 7.—Twenty persons were injured, three fatally, when an aeroplane dashed into a crowd at a Labor Day celebration late yesterday. Oscar Cook, a Chicago aviator, lost control of his machine when he landed after a short flight. He was not hurt.

When the machine touched the ground it swerved and knocked down a refreshment stand, and then ploughed through the crowd.

## BOXING BOUTS IN JOLIET.

CHICAGO, Sept. 7.—While Gov. Dunne was sending a hot message to Acting Warden Ryan at Joliet Penitentiary 1,800 convicts crowded around a regulation boxing ring, set up in the prison yard between two cell houses, and cheered while Chicago prizefighters pummeled each other to make Labor Day a regular holiday for the inmates.

Gov. Dunne displayed great anger in discussing the affair. "It's a gross blunder," he said, "I am surprised that Acting Warden Ryan should have permitted it. I am going to get a full report."

The bouts were over when the Governor's message was received.

Barbour-Keith Wedding Set for Early November.

LONDON, Sept. 7.—The Times announces that "the marriage arranged between Willard Barbour, professor of law in Michigan University, and Vera Stewart, second daughter of Mr. C. H. Keith, who lectured in Oxford University, will take place early in November."

SHOPPERS consider the moving stairways one of the greatest comforts at Macy's. For going from one floor to another they are far better than the elevators. Quick, safe, convenient—never crowded, always running. Use them the next time you come to Macy's.

# This is "Children's Week" at Macy's

IT is neither extravagant nor expensive for the mother who is smartly gowned to have her children as smartly dressed when they return to school.

The question of dress has so much to do with the kiddies' standing in class, and with classmates, with their ambitions and deportment, that good clothes are not an extravagance but a well-repaid investment. The well-dressed boy or girl is usually the one with a larger measure of self-respect—and eventually the one to make a success in later life.

And the question of cost is so splendidly solved by buying school

outfits at Macy's that good clothes bought here can hardly be regarded as expensive.

In style, smartness, variety, taste and originality the Macy Shops for Children are equal to "exclusive" specialty shops—and in price they cannot be surpassed by any store in the city.

With prices as low as those we quote and with a really big saving possible on books and other equipment, mothers can provide their children with a wardrobe that will be a credit to them at modest cost.

Equip your children for school at Macy's and make your money go the farthest.

## Boys' Hats

There are so many new shapes, colors, weaves and catchy novelties at Macy's this season that there isn't a boy in New York from 5 to 16 years of age who wouldn't vote Macy's Boys' Department the best of all places to buy. No store in the city has a bigger, fresher, more inviting lot of hats and caps, and no store's prices are as low.

The new Sport Hat illustrated is one of the smartest Fall hats a boy could wear. It comes in black and white checks, Scotch tweeds, blue serges, and dark mixtures that harmonize well with the new suits. Different styles in the same material—Norfolk and oval or octagon telescopes. \$1.29 and \$1.49.

**Boys' New Felt Hats \$1.48 and \$1.88**  
In the season's smartest autumn shades—beaver, green, brown, gray, and blue, in octagon, telescope and Alpine styles.

**School Caps, 49c**  
Almost every conceivable mixture, check or shade, including blue serges. All sizes. Let sonny pick out his own.

**"Rah-Rah" Hats 94c, \$1.29 and \$1.49**

For the many little chaps of 7 or 8, "Rah-Rah" hats are just the thing. Dashing and smart in their varying styles and not too "grown-up." We show a great many very fetching styles, all with name bands and some with fancy bands of colored silk.

**Boys' Velour Hats, \$4.74**

Of real, rich Austrian velour, imported and made into hats here. Without exception the smartest and dressiest hat of the season. The "Millions" is round and smooth, and the "Octagon" is round with eight little creases. Colors: Brown, navy blue and green. Also in black and in white.

**Boys' Furnishings**

There is no more satisfactory place in New York to buy Boys' and Youths' Furnishings than at Macy's. There are always large and varied assortments and a complete range of sizes here. Quality comes before price, but mothers know that no other store can rival Macy's prices.

We believe there is not a fatter or more inviting stock of Boys' Fall Neckwear in any other New York store. There are silk ties and knitted ties, ties for very young boys and ties that big brother might envy. There are ties with wide or narrow ends, and there are Windsor and batwing ties. Plain colors as well as fancy designs. All of good, high quality materials. Such an array will delight any boy's heart—bring him here and let him choose his own.

**Also complete and attractive stocks of bath robes, pajamas, collars, undershirts, suspenders and belts; good values because of dependable quality and reasonably priced.**

## Boys' Suits

Manliness of a sort that makes the little fellows thrill with pride is the keynote of Macy Boys' Shop styles.

And economy of a sort that wins the praise and trade of mothers is the keynote of the Boys' Shop service.

No other store in the City (much less the "specialty shops") can point to school suit values like these:
